Dear Mr. Zammit:

We have received a copy of your lawsuit, and request that you remove our Crisis Pregnancy Center from your lawsuit. We have operated for 31 years on Christian values and principles, and have helped thousands of Moms, Dads, and Grandmas keep their babies or place their babies for adoption. We have never done an abortion nor even referred for an abortion in all those years. We do provide pregnancy tests for the Moms and referral to Pro-Life doctors. We also provide cribs, baby clothes, diapers, formula and other material needs to the Moms and families in order that they are able to care for their babies. We often have helped families who have been burned out or victims of abuse.

We again ask you to remove our Center from your lawsuit. We thank you for your attention in this matter. Please advise.

Sincerely,

*Sandra Krasnodemski*
